TO THE MEMORY OF NOEL PAYTON

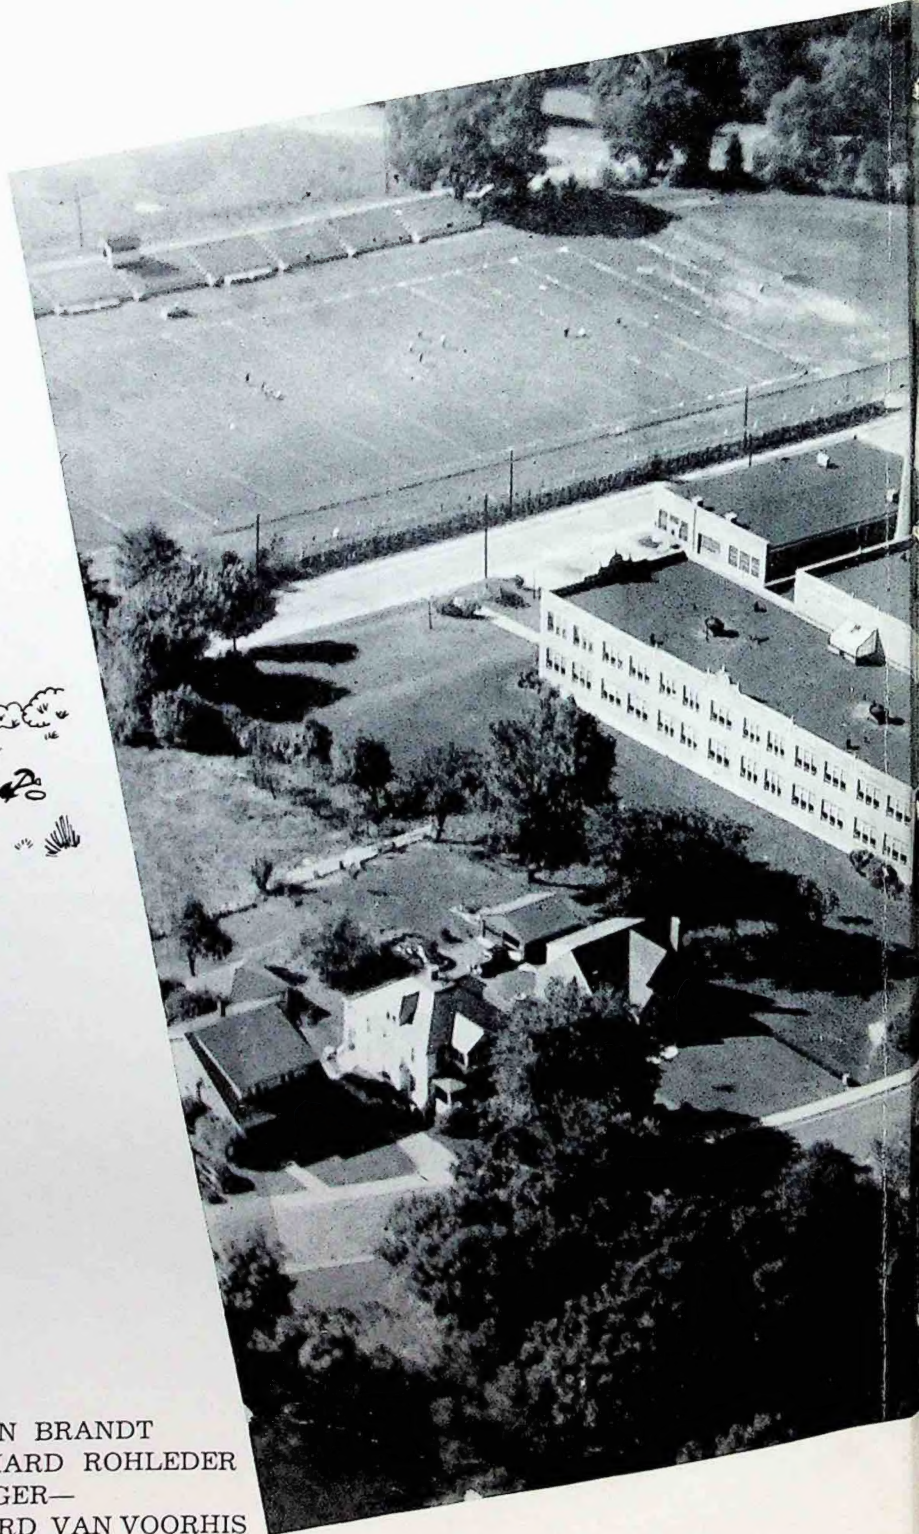

*When the strains of "Pomp and Circumstance"
Brings tears to mothers' eyes,
An Angel band will join them,
Somewhere up There on high.*

*He will march beside his classmates
Although they shall not see,
And touch the treasured caps and gowns
That for him was not to be.*

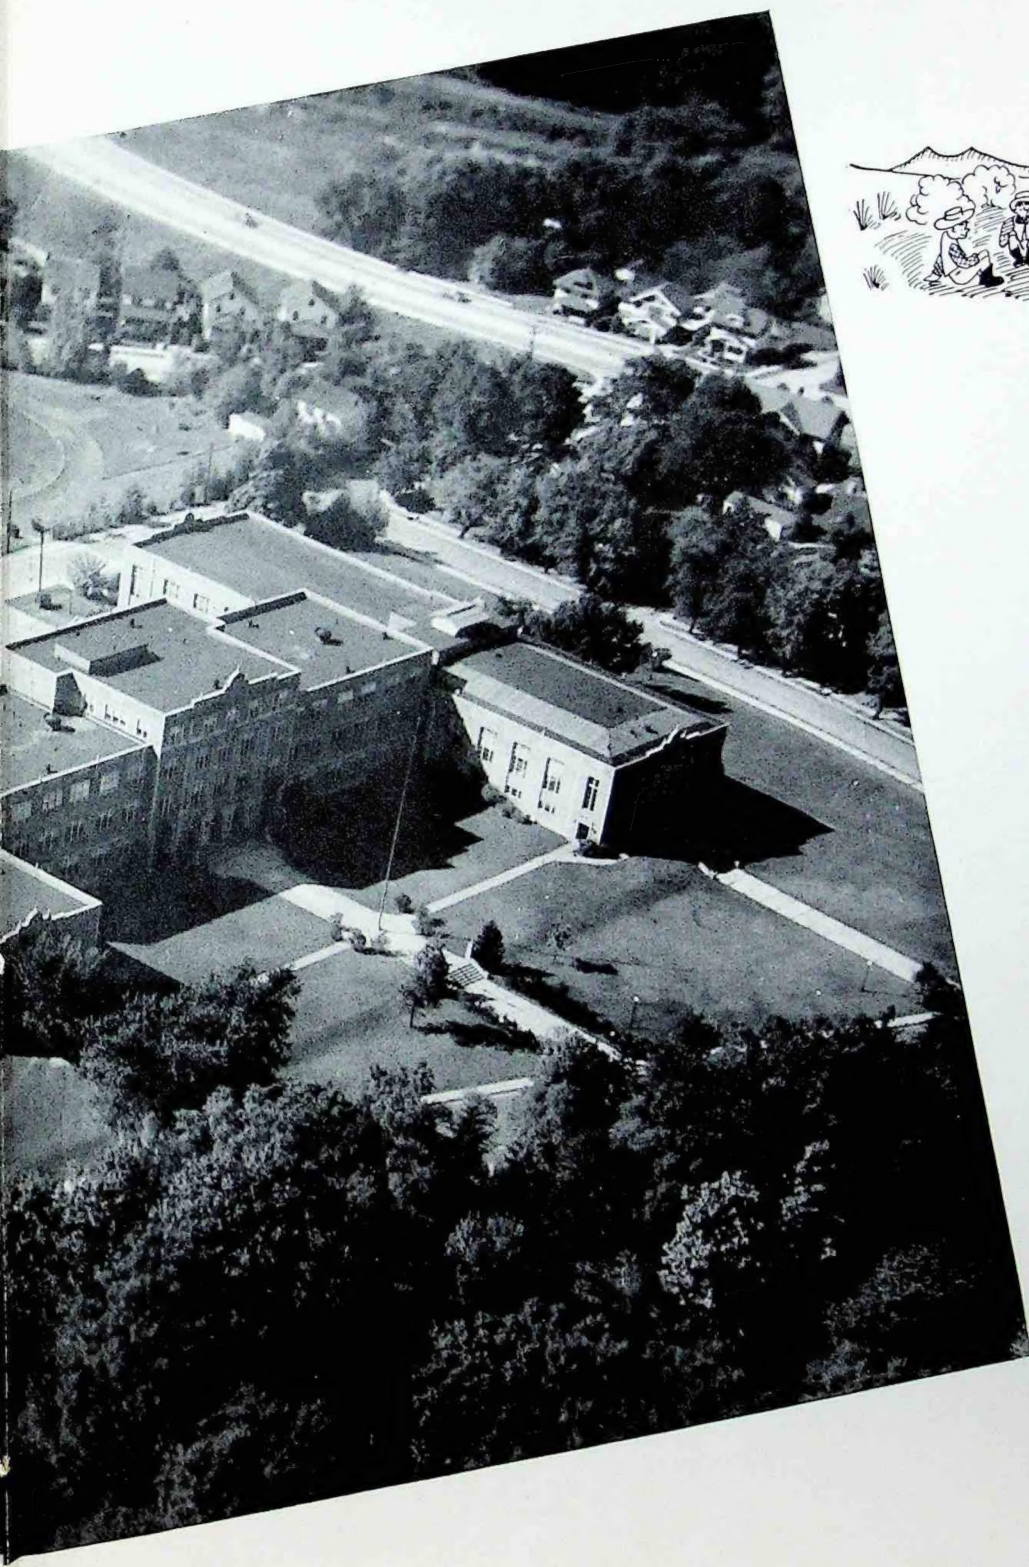

*He bade farewell to books and shop,
His worries cast away;
But even though he's gone before,
He'll be here, - his Graduation Day.*

THROUGH THESE PORTALS PASS THE WORLD'S BEST STUDENTS.

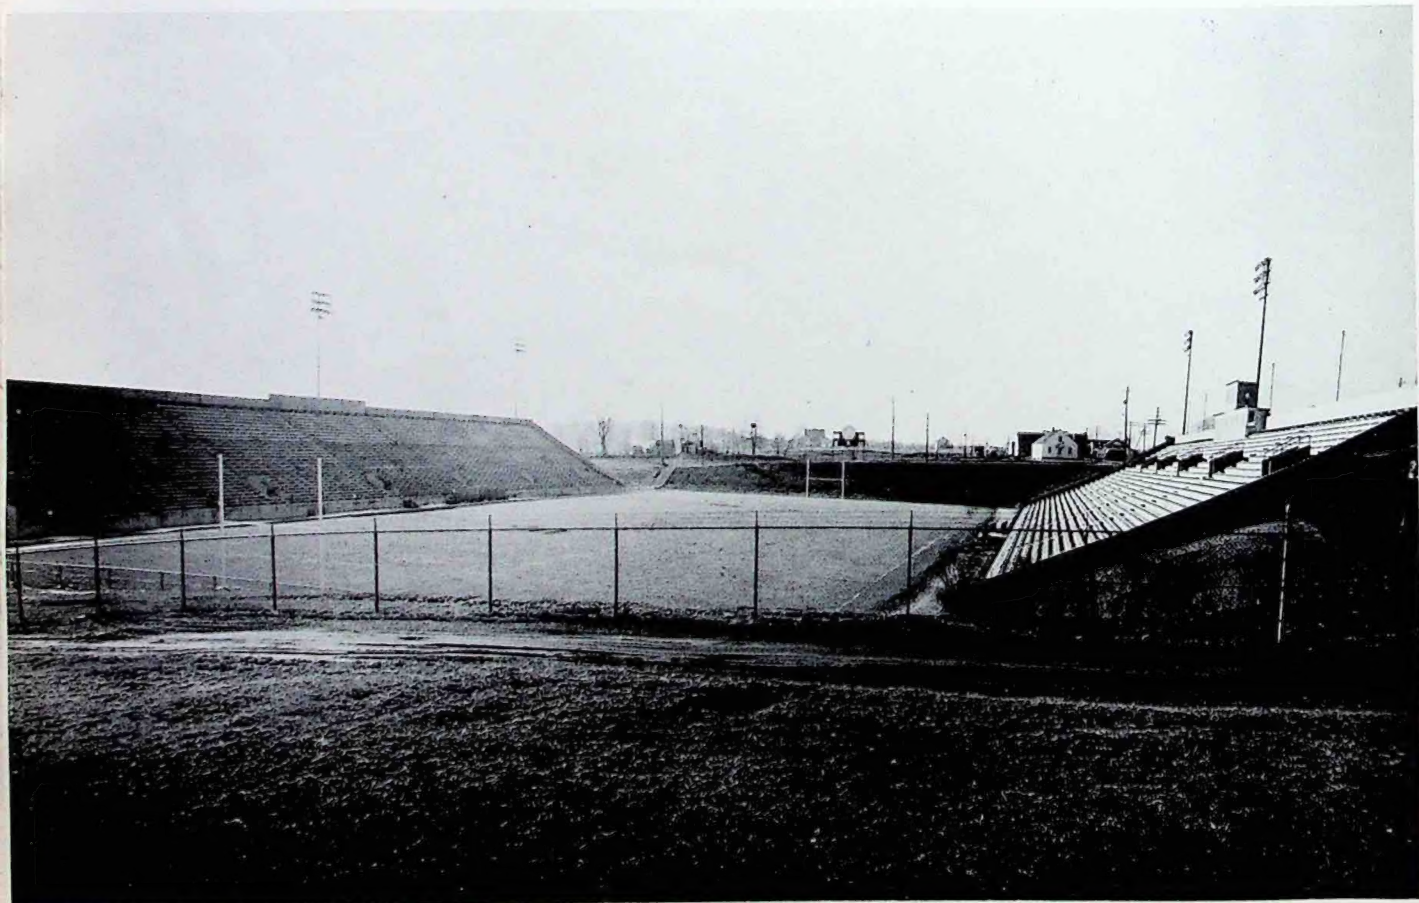

FOREWORD

Like the original '49'ers who went in search of gold, the class of '49 went in search of the gold of education. In this edition of the Manhigan is recorded the events and happenings of our last year at M. H. S.

We hope that these scenes will recall many pleasant memories in years to come.

ARLIN FIELD

DEDICATION

To Calvin A. Byers, teacher, author, and friend to hundreds of students and alumni, we proudly dedicate the 1949 Manhigan. Affectionately known as "Pappy", Mr. Byers possesses a rich homespun philosophy that he unselfishly shares with everyone through his guidance in study hall and widely read newspaper stories.

Class History

In September of 1936, 544 eager little students climbed aboard the ten covered wagons variously named Bowman, Brinkerhoff, Carpenter, etc., and started on that long trail toward the gold of education.

The first six years passed rapidly in these "covered wagons" and carried us swiftly along the trail. For various reasons our ranks were depleted and in 1943 the 522 remaining passengers transferred from the ten small "wagons" to two bigger, and what seemed better, stage coaches. These were also given names—Johnny Appleseed and John Simpson.

The next three years spent on the trail found us expanding in our interests, activities and increasing our circle of friendships. School activities and athletics took more of our time and interest. The last year each group chose leaders to help guide them for that year. The John Simpson group chose Boris Baker to lead them, aided and abetted by Don Elias as Vice Pres.; Martha Shippet, Sec.; and Pete Keiser, the Treas. In that other "Wagon" Harry Osburn was elected Pres.; with George (Monk) Russell, the V. P.; Anne Shawber, Sec.; and Jean A. Robinson keeping track of the money.

A natural and pleasant rivalry grew between these two groups traveling along parallel trails and found its outlet in sports and literary achievements. Such stalwart "Pioneers" as Ferguson, Chamberlain, Gregorio, Weaver and Burkhart often defended the name of Appleseed on the field of sports against the brave men from Simpson headed by Ken Carver, Paul Hammond, Chuck Tuttle and their gang.

In the last clash between these two, before they merged into one, Appleseed defeated Simpson, 19-0. This "massacre" was witnessed by royalty in the persons of Pat Ealy, the queen of Simpson, and Shirley Jacobs from Appleseed.

In 1946 we all clambered aboard our present "Conestoga Wagon" to cover the last lap of this part of

our journey over the trail. Here we began to hear more of the activities of the ladies among us. Norma McCally and Gizella Knefely had edited the paper back there at Simpson and Emily Stephens was making the Appleseed "Press" a successful paper. Those active G.A.A. gals became even more interested in sports.

As the potential gold-rushers embarked upon the last lap of their journey, some 470 strong, Harry Osburn, Tom Swisher, Norma McCally and Gizella Knefely were chosen to lead the class for the first two-thirds of the trip. Miss Martha Weimer was chosen class advisor; and under the leadership of these, plus an executive committee of eight others, the class progressed rapidly.

In the Senior Year, the 360 remaining in the hardy band ran a democratic election along the pattern of the national elections, and selected to head the Class in this, its final year, were: Tom Swisher, President; David Wappner, Vice-President; Norma Touby, Secretary; and Jean Arlyss Robinson, Treasurer.

In sports, Paul "Pinkie" Ferguson, Joe Miller, Louis Gregorio, Bernard Weaver, Ken Carver, Norbert Shibinski, Harry Osburn, and many others led the field.

Proving themselves good followers as well as capable leaders, the members of the class continued the Christmas Sing, started the year before, the annual Easter Sunrise Service, square dances, and an all-night prom.

Finally on June 9, 1949, 387 Seniors received their diplomas, indicating the progress made during the twelve years.

JUNIORS

In 1948 approximately 360 sophomores of the two Junior Highs came to brighten the halls of M. H. S.

As sophomores they were interested in getting acquainted with the school and its functions.

In January this class chose officers which are as follows: Phil Bolin, President; John Bricker, Vice President; Jean Hathaway, Secretary; Mary Ellen Ross, Treasurer. Mr. Richard Nixon was chosen class advisor. During their first year the class sponsored a dance and at the close of this, their Sophomore year, they held a class picnic.

As Juniors this extraordinary class started off the school year with the election of officers. They are as follows: Phil Bolin, President; Bob Ward, Vice President; Betty Strolein, Secretary; Rex Strine, Treasurer. Miss Ruth Dunham was elected advisor. The name chosen for the Class was the Nifty Fifty. Dick Bishop, Chuck Young, Jean Hathaway, Miriam Schroeder, Barbara Staples, Larry Inscore, Betsy Clark, John Bricker compose the Junior Executive Committee which guides this class.

Manhigan

Last year during the sixth period the click of typewriter keys and the odor of rubber glue was in evidence near room 204, the Manhigan room.

Members of the staff were busily at work last fall in order that this issue of Manhigan might be published.

A commercial photographer was hired to take the senior and underclassmen's pictures. When all of these had been taken, the staff began to organize the dummy.

The editorial and business sections completed, members of Manhigan staff awaited the distribution of copies to the student body.

Mr. Harold Ramsey.**

Hyphonerian

Every other Monday the students of home room 114 become a busy lot as assignments for the next issue of the Hyphonerian are made. During the following week they gather and write up the news of the school. The editors then collect and correct any errors in the articles to be printed in their division. The material is then sent to the typesetters. The Wednesday before distribution staff members are excused from classes to form the lines of type into proper sequence and position for the paper. They help the printers in the actual operation of the presses. During this time members of the business staff handle advertising, expenses, and distribution problems. There the voice of the school finally is expressed in finished form.

"Afraid of the Dark"

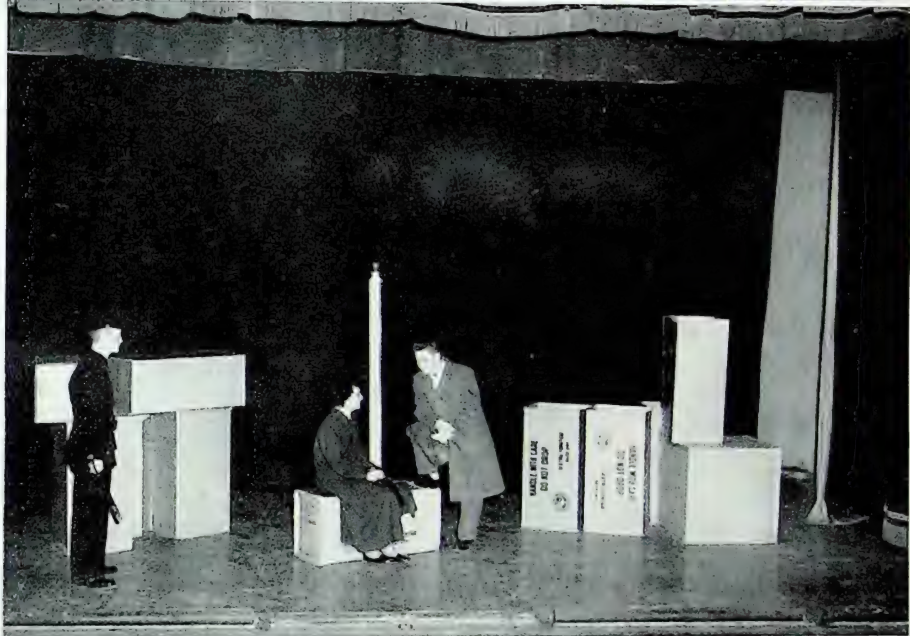

This one act play is the story of three criminals in a penitentiary, who are sentenced to die in the electric chair. The purpose of the play is to show how three hardened criminals all turn to one thing before going to the death chamber—religion. The scene of the play is the death row of a state penitentiary. The time of the play is just before dawn of a day in spring. The cast of "Afraid of the Dark" consists of Harry McCuen, who portrays the part of the Captain, who is a gentleman but for one mistake. Juan, a 19 year-old Mexican boy, who is innocent of crime is dramatized by Robert Ward. Willie Fullic, a tough moronic thug, who is not afraid of dying but later breaks down, is played by Phil Bolin. The Chaplain is portrayed by Ray Stretch and David Stanton plays the role of the Guard. The play was directed by Mr. Heasley.

"Suicide "

This play shows the stranger side of human nature. Two people have gone to a deserted wharf to commit suicide. Both are disgusted with their respective love lives. The girl, played by Pat Jackson, has too many suitors; and the boy, played by Lloyd Lewis, has been jilted by his girl friend. The two decide to put off their suicide until a later date and leave hand-in-hand. The policeman is Corky Perrine.

"Let's Make Up"

Two teen-age boys, played by Dick Eliot and Lloyd Lewis revolt against their girl friends, Jean Robinson and Tina Taylor, who comb their hair and put on lipstick in public. The males get out new shaving kits and proceed to shave while sitting in a hotel lobby with their girls. The results are hilarious as the boys do prove their point. The supporting roles were played by Donna Brandt, Charlotte Hayward, Douglass Black, Corky Perrine, Joe Peterson, and Barbara Bowles.

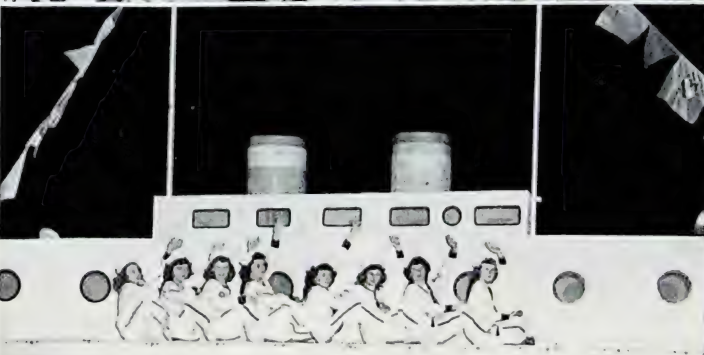

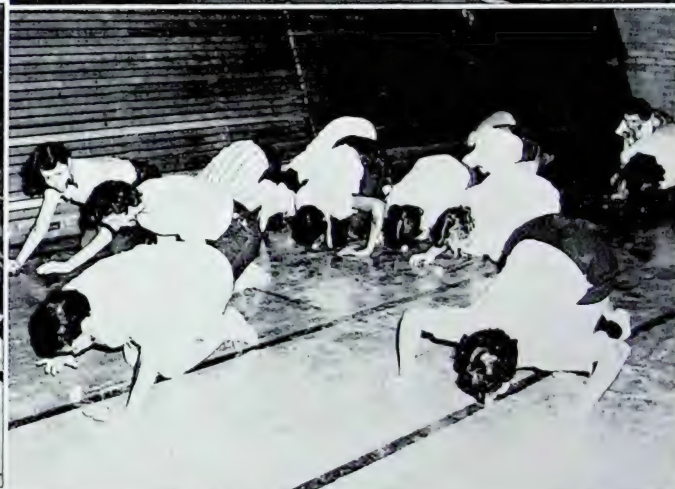

The photo at the left shows Phil Bolin who plays the part of Willie Gullie, the hardened criminal, praying at the end of the play after he has broken down.

Stage Crew

This is a group of boys under the direction of Mr. Earl Heasley, who set up stage setting which aid in creating an atmosphere in the various school plays, and other assemblies during the year. Without this active crew and their advisor, many of our stage settings and assemblies would not be made possible.

The Future Retailers of Mansfield is a chapter of the state—and nation-wide organization of Distributive Education Classes. The class is a cooperative class and the students enrolled are urged to strive for progressive leadership in the field of distribution. The students are taught the fundamentals of salesmanship, merchandising, store problems and speech for business. The fundamentals of selling are applied daily while working with the retailer. Many of the Distributive Education students have chosen retailing as a profession.

The F.R.O. met at Akron for a regional convention in November. The purpose of the convention was to elect regional officers and to acquaint the members with the workings of the organization. A high light of the convention was a very heated and spirited election of officers. One of the most outstanding candidates was our own president, George Freund. The group accepted an invitation to participate in a sales training class conducted by the Westinghouse; we were also guests at luncheon. George Freund and Peggy Brook were the delegates from the Mansfield chapter at the state convention in Columbus where plans for next year's work were discussed.

The outstanding social function of the year was the employee-employer banquet held at the Sky Club May 10. Entertainment for the evening was provided by members of the class. The Christmas gift exchange rounded out the holiday activities.

The sale of Tyger pencils, football programs, the collection of weekly dues and sales tax stamps financed the year's activities.

Attendance Office

The girls in the attendance office, who are courteous, dependable and efficient, have a variety of tasks. They faithfully deliver absence sheets, run errands, and issue tardy permits.

At the end of the year they receive a well-deserved reward.

Library Staff

The chief work of the library staff consists of checking books in and out, keeping the shelves in order, and helping students find references.

A special course offered helps the staff learn the particulars of the library. The staff holds regular meetings every two weeks to discuss problems and activities of the library and social functions for the staff.

Christmas Basket Committee

Every year during the Christmas season the Christmas basket committee is organized to make up baskets for the needy. When these baskets are assembled they are distributed by members of the committee to the families. Miss Ruth Dunham has been the guiding light of this committee for several years.

S. R. C.

On every other Monday night an important meeting is held in 117. This student representative council, made up of representatives from each home room gathers to shape the policies of the student body. This organization headed by Miss Kathleen Mendenhall, tries to find ways to better the school such as relieving the congestion in the halls and in the cafeteria line.

Senior Blue Tri.

Senior Blue Tri meets every Monday evening at 7:00. For the past year there have been presented at each program speakers whose topics help the girls to plan for their future.

Junior Blue Tri.

Junior Blue Tri is patterned after the Senior club and also holds its meetings on Monday night at 7:00. All girls belonging to the Blue Tri organization look forward to the formal dance which they sponsor.

Senior Hi-Y

Their motto is to create, maintain, and extend throughout the school and community high standards of Christian character.

The Tyger Marching Band

In the fall every loyal Mansfielder is stirred when he sees the flash of shining instruments of our marching band and hears the band playing as it parades down the field.

The formations which were executed between halves of the games brought forth "ohs" and "ahs" of pleasure from the grid fans. There was a lot that sort of sticks in your mind—the tygerettes' dances, the "big blue bomber", the top hat, the M.H.S. yacht, the Family Album, and the gala homecoming program.

The band could not have performed these splendid shows without the amiable guidance of "Prof" and co-operation of each member of the organization. Due thanks and respects go to the Band Parents club, the Booster Club, Miss Battin, Mr. Baird, and Mr. Oberlander for their support throughout the year.

After football season closed, many of the members were selected to form the basketball band which furnished music for the basketball games. In the spring the Concert Band played another of their splendid concerts for the public. Along with these appearances, the band appeared in several civic affairs throughout the year.

The Orchestra

This year as in years previous the orchestra has played in many of the school activities and social functions around town. During the holiday season the orchestra gave its annual Christmas concert at the Mansfield-Leland Hotel for the crippled children. In the spring the orchestra presented another of its splendid concerts. It's performances of "Venetian Carnival", "Morning, Noon and Night", "Zug der Frauen from Lohengrin", and other such numbers proved to fullest extent the capability of these young musicians. And naturally graduation time the orchestra played for Class Day and Commencement.

FOOTBALL SUMMARY

It was a great season for the "48" football team of M.H.S. Although the team was slightly hampered with injuries to "Monk" Russell, Jim Chamberlain and Bob Bush and temporary absences of B. Weaver and Tom Tucker, the Tygers were nevertheless able to have a fairly good season, by winning 7 out of 10 games and placing 9th in the State. The Bengals were rated an unsuccessful team, until they pulled a big upset by defeating the Big Blue from Hamilton 26-20. In this game the Tygers and the Tiger's fans showed an undying spirit which Mansfeld had never seen before. From the beginning of the game the Bengals went out and fought like wild Indians until the final gun. While the fans went wild by making loud noises, throwing pop corn boxes, and yelling their lungs out for dear old Alma Mater.

"Augie"

Two new records were made in Arlin Stadium during the "48" season. One was made by Capt. Joe Miller who raced 86 yards to a touchdown for the longest

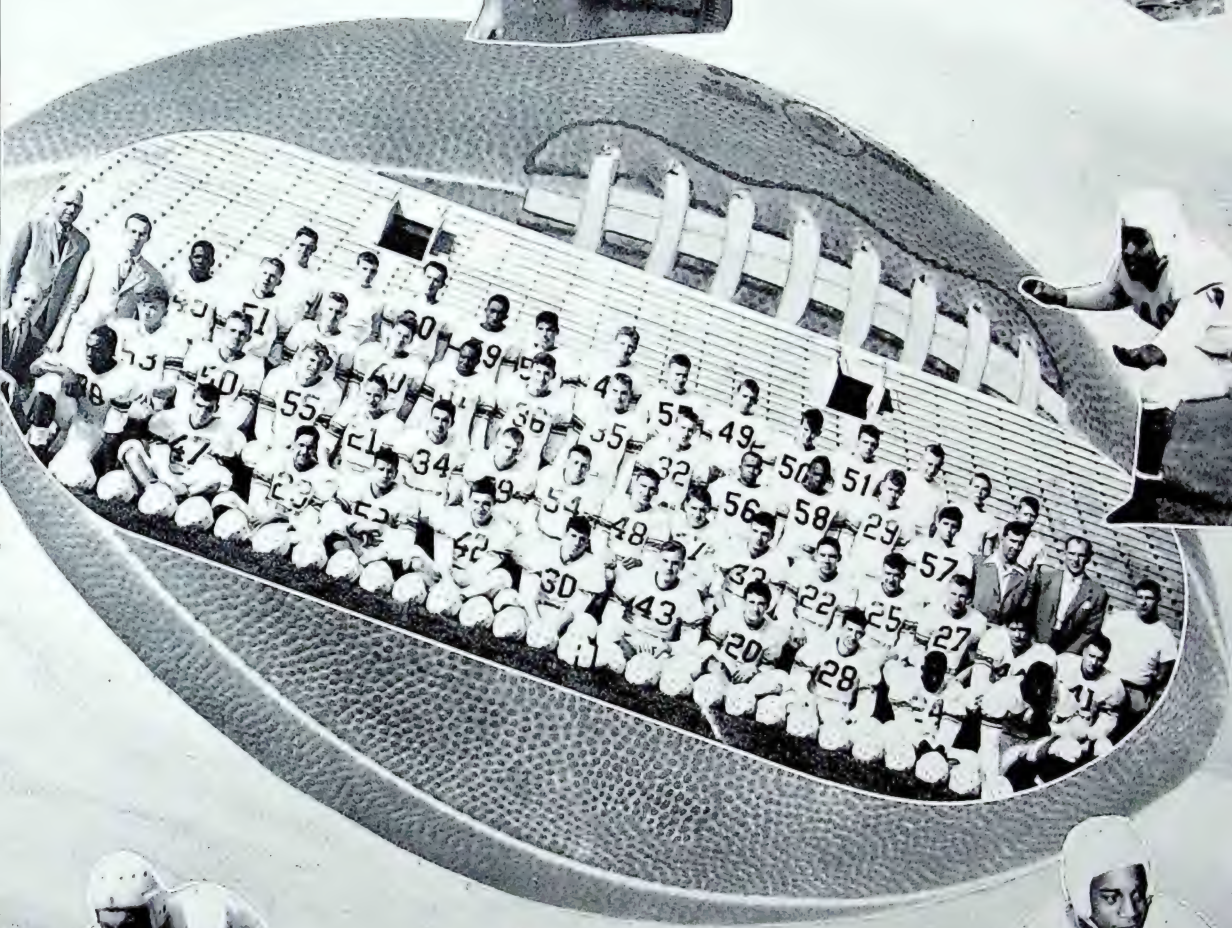

run in the new stadium. Pinkie Ferguson made the other new record by intercepting an enemy pass and racing 84 yards to a touchdown for the longest interception run ever made on Arlin field.

The most valuable player award went to quarterback, Paul Ferguson who so brilliantly quarterbacked the "48" team through a tough season. End, Kenny Carver was awarded the lineman of the year award for the outstanding lineman of the year. Awards went to lineman Tony Taddeo and backfield man Harry Osburn for keeping the neatest playbook during the "48" season. Captain Joe Miller was awarded a trophy by his team mates for successfully leading his team through a great season.

M.H.S. was also honored in having Captain Joe Miller chosen on the All Ohio second team. Honorable mentions were given to end, Kenny Carver and backfield men, Paul Ferguson, Charles Jenkins and Tommy Tucker. Captain Joe Miller was also leading scorer during the "48" campaign while Charles "Sparky" Jenkins was leading ground gainer.

In all, it was a great season—a great team—and a great bunch of fans.

Whiting Trips Mansfield

26-13

Flashing a powerful ground attack that caught the Tygers unaware, the Oilers of Whiting, Indiana swept over a completely surprised Bengal team. The only bright spots of the game came when - in the last minutes of the first half - Tommy Tucker jaunted 85 yards for the first TD and early in the third quarter when Louie Gregorio scored from the one.

Tygers Bowl Over East

27-6

Coming back from an overwhelming defeat in the opener, the terrible Tygers broke out in a rash of long runs with Tommy Tucker making 3 of the 4 Bengal TD's. Tucker's longest run was 74 yards but the jaunt of the evening - and, incidentally, the longest ever made on Arlin Field - was executed by Capt. Joe Miller when he went 87 yards on an off tackle play for the final tally of the game.

Bengals Slam Sandusky

27-13

Playing like pro's the first 30 minutes of the game, the Tygers went early for their second win. But in the final quarter the Blue Streaks came to life and showed that they could play football. The scoring was divided up between Jenkins, Miller, Tucker, and Carver with one each. For the first time Mansfield showed a passing attack which paid off in the form of one score and a total of 68 yards.

Miller went 87 yards on this one.

Tommy takes off.

Mansfield Plasters Portsmouth

33-0

Playing one of their finest games of the year the Tygers rolled over the Trojans easily with a total of 398 yards. This is the largest total of the year. A. C. Jenkins caught fire and scored three touchdowns while Capt. Joe Miller tallied twice. The Tygers did not have to punt at all and relied entirely on ground drives trying only two passes.

Tigers Trample Tygers

33-7

Holding the upper hand for the first 18 minutes, the Tygers built up Mansfielders hopes for beating Massillon. But after the Tigers from Massillon made their second tally our Bengals could do literally nothing. With Jenkins sparking an 84 yard drive Ferguson heaved one to Miller for Mansfield's only score. Again, little Tommy Tucker could not get going and Louie Gregorio was called on to cover that spot for the majority of the battle.

Tygers Slide Past Springfield

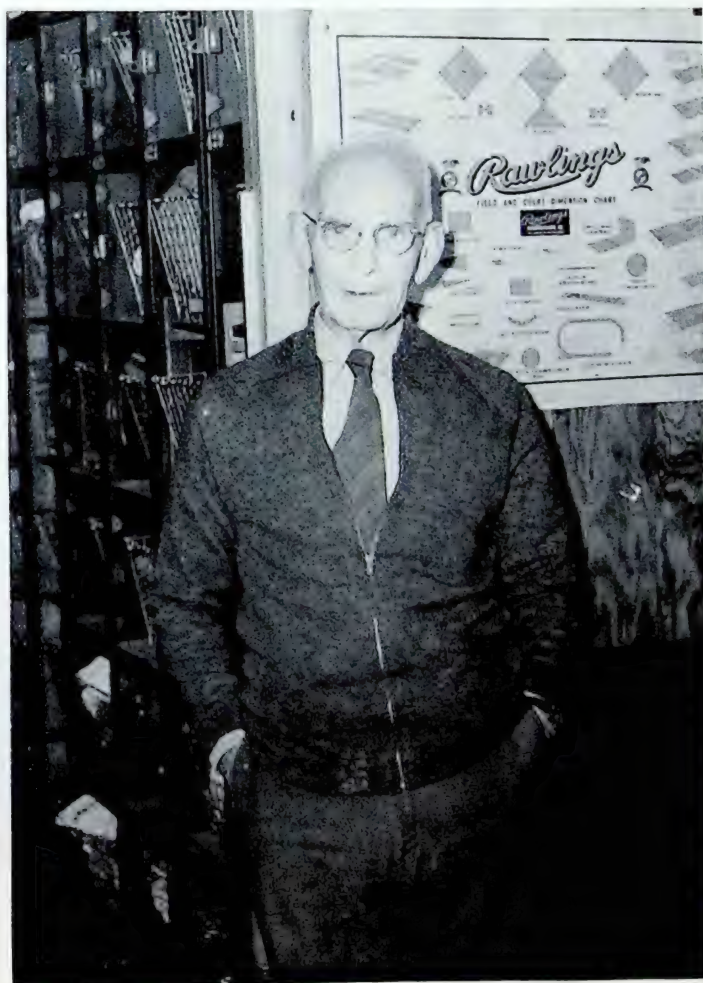

26-20

Suffering from the loss of little Tommy Tucker, the Tygers relied on A. C. Jenkins and Capt. Joe Miller for their ball toters in the Wildcat fracas. Jenkins scored once and gained 130 yards while Miller crossed the stripe three times and made a total of 152 yards. One of Miller's tallies was in the form of an 82 yard run. Gregorio played a great game as Tucker's replacement and Harry Osburn was a big cog in the Bengal defense.

Tygers Claw Kiser

62-7

Bowling over a completely baffled Kiser team, our Tygers showed the state that they were still a team to beat. Going wild in the first half, as they did all season, the Bengals ran up a score of 41-0 by the end of the second quarter. Somehow the Kiser boys pushed one over in the final period. The best individual performance was turned in by Ferguson when he made an 86 yard TD by intercepting a Kiser pass.

A Memorial For "Pop"

"He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men, the trust of pure women and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has looked for the best in others and given them the best he had; whose life was an inspiration; whose memory is a benediction."—(Bessie A. Stanley).

Who can find a more fitting memorial for a man as great and as well-loved as Pop Elias?

FOOTBALL

Honored Players

Pictured at the left are three of this years five honored players. Joe Miller and A. C. Jenkins who received All-Ohio and All-Ohio Honorable Mention respectively were absent when the picture was taken. Quarterback "Pinky" Ferguson received the News Journal Most Valuable Player award and added to that by securing a berth on the coaches All-Ohio team. Kenny Carver received the Phi Sig Trophy for the most valuable lineman and Tommy Tucker gained recognition by receiving Honorable Mention All-Ohio.

Bengals "Outmud" Marion 12-6

Finding out that a wet field can beat the best teams, the Mansfield aggregation had a hard time beating the four touchdown underdogs, Marion Harding. Miller scored early in the game on a neat 28 yard off tackle play. Marion knotted it up at six all at the beginning of the final period but a 70 yard run by Louie Gregorio finished off the scoring with Mansfield on top.

Mansfield Hammers Hamilton 27-20

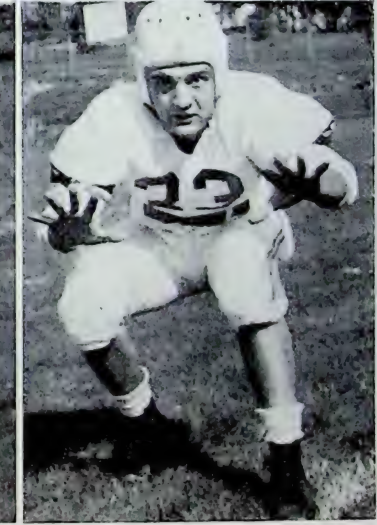

In probably the best game ever played on a Mansfield gridiron, the Tygers showed skill worthy of championship votes. With an indomitable spirit, which never died, our Bengals ruined the championship hopes of the Hamilton Big Blue. The Tyger forward wall was nearly impregnable and threw Jim "All-Ohio" Bailey for losses six times. A. C. Jenkins played one of his finest games by scoring twice and Joe Miller and Tommy Tucker each tallied one a piece.

Martins Ferry Nips Mansfield 6-0

Again playing one of their finest games our Tygers were a victim of bad breaks. The Riders scored the only tally late in the third period. It seemed that everytime the Bengal Ball-Toters broke loose for long runs, they were called back because of infractions of the rules. Gregorio and Tucker both made several fine runs only to have them called back. The ability that our boys showed in this battle moved them from tenth to ninth in the AP poll.

BASKETBALL

1949

"One of the six best teams in the state." That, is how our Tiger bucket boys ended the 48-49 season. But many people who watched them play believe that they should be rated at the top.

Faltering at the first of the season, the Tygers finally caught hold and won thirteen of their last fifteen games. Then they went into tournament play and won five straight before being eliminated by a great Toledo Central aggregation by only one point. That game was called one of the best ever seen in Ohio tournament play. This was the first time since 1942 that the red and white have reached the regional finals. In 1942 it was the same Toledo Central that robbed the Bengals of the regional crown.

So our boys ended the long trail with a seasonal record of 19 wins to 8 losses. The Tygers were definitely a dark horse throughout the season and on into tournament play and turned in many an upset of the dope bucket.

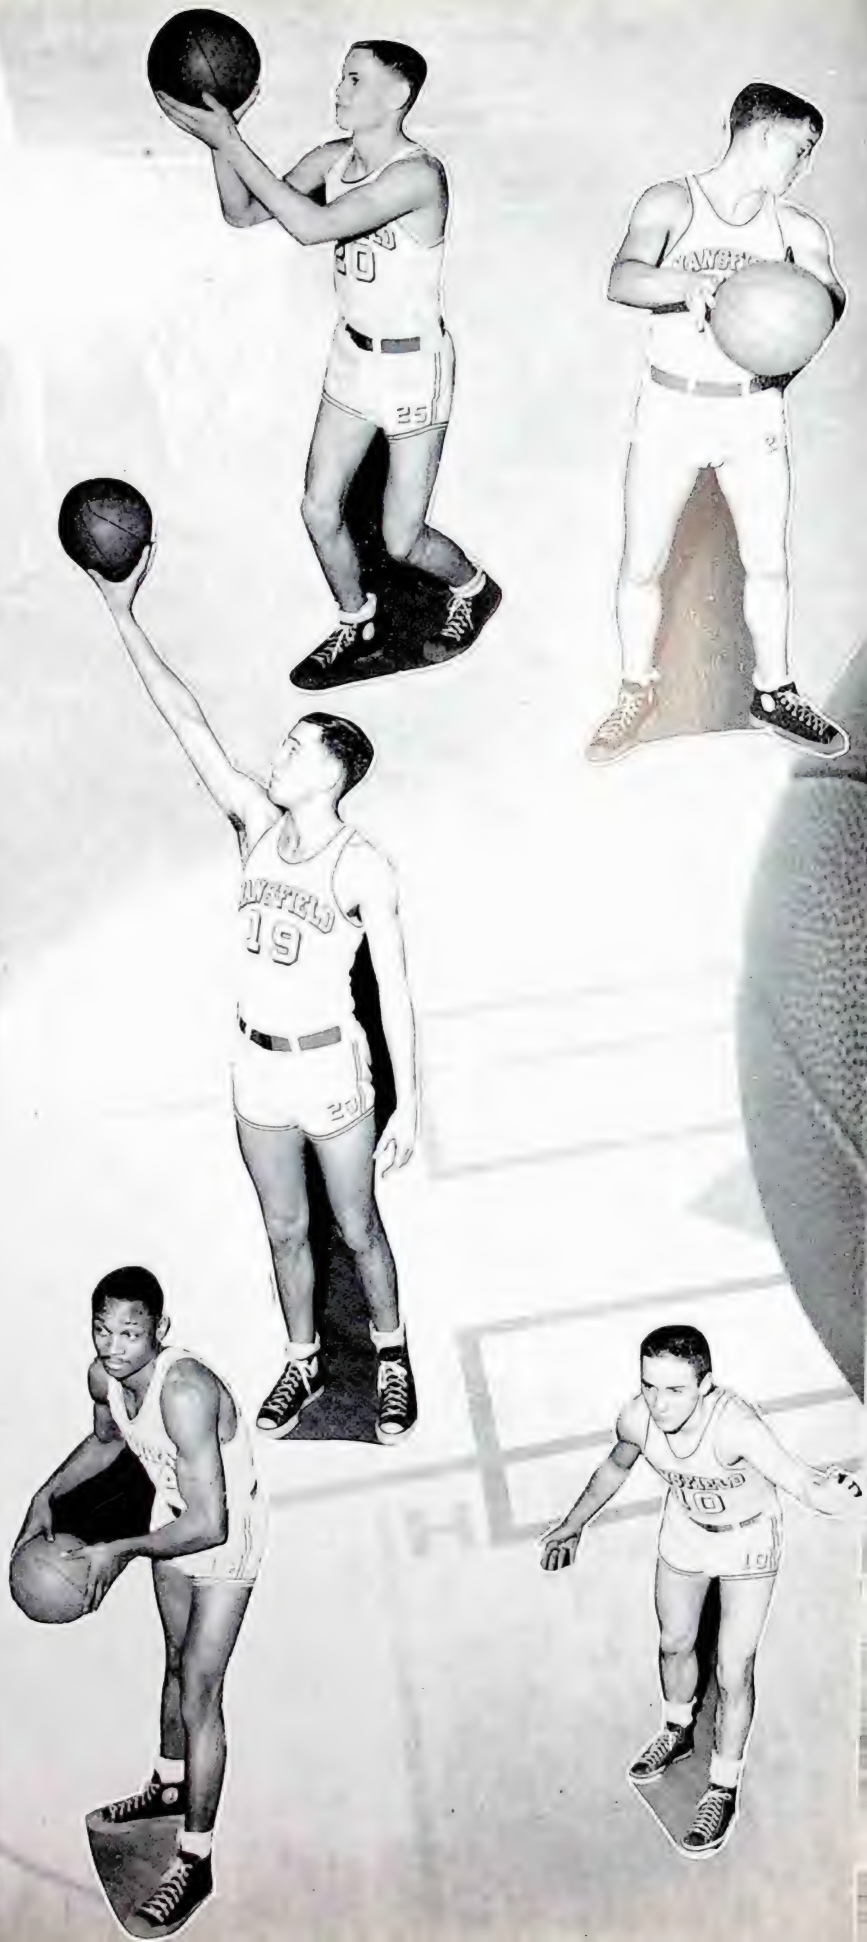

Four of the six top men on the team will be back next year to bolster our alma mater in the bucket sport. Among them is slender Jimmy Anderson top point man and second high scorer in Senior High's history. Then there is fast developing sharp-shooting Ken McCally, cool Ed Demyan, and lanky Ed Schmitt who played many a good game in a replacement role.

However, the loss of crafty little "Pinky" Ferguson will hinder the team more than a little. Ferguson was called by many the coolest ball handler ever to hit Senior High. The loss of big Norb Shibinski will be felt but we are sure that somehow Coach Hoffman will come through with another great team next year.

Here are a few statistics: Jimmy Anderson was top-point man of the year with 365 followed by Norb Shibinski who had 296. In the foul shooting department the Tygers shot better than 50% with Ed Demyan receiving the foul shooting trophy with 55 points gained by gratis throws. Demyan hit 62% of his foul shots.

The Tygers as a team averaged 52.3 points per game - a new high - and a grand total of 1,411 another new high. They dropped in 543 field goals and 321 free shots. Coach Hoffman used a total of 20 players during the regular season but even so the team average was 6.3 points per man per game.

As we look back at our team of the '48-'49 season let us remember that it was truly one of MHS's greatest.

SEASONAL RECORD

The Mansfield Tygers started the 1948-49 basketball season off with a bang by defeating Elyria on their home floor 49-30. In the second game slender Jimmy Anderson and lanky Ed. Schmitt led the scoring against Cleveland Collinwood with 13 points apiece. We won 49-36. The Mansfield Tygers remained undefeated by winning 61-35 over a weak Tiffin Columbian team on our home court. Tyger forward Jim Anderson had a great night by chalking up 24 points. Coach Hoffman's lads lost their first game of the season when they traveled to Columbus and lost a 35 to 30 decision to an underdog Bexley Lion team. Rebounding from their first loss of the season MHS came back to defeat a scrappy Alliance quintet 60-45. The Bengals lost to Greenfield 50-45 and to Lima Central 59-49 in the Lima Central basketball carnival. After the upsets in Lima, MHS came bouncing back to defeat a strong Ashland team on our home floor 56-40. Nothing seemed to go right at New Philadelphia. We were out-scored by a poorer team 67-60. Despite the bad night for the Tygers Jim Anderson again came through with 24 markers. The Bengals upset a surprised Springfield club in a close game, on our court. The score was 37-36. The Hoffmanites ran into trouble when they met Bellevue on their home floor. We lost 44-37. MHS edged out Akron North in a tough battle 40-37. Our next victim was Fremont Ross. We knocked them off 59-40. You have to have good nerves to follow the Tygers this season. Here is another one point victory. Columbus East 36, Mansfield 37. On our return match with Ashland we broke their home winning streak at 19 games by stomping 43-41. At one time Hoffman's men were behind by 9 points, but after a hard fight they came back to win. Shibinski scored 16 points to lead the Bengals to a 52-43 victory over the Sandusky Blue Streaks. Norwalk was next on our black list. We won 67-48. Anderson had another great night by dropping 23 points through the net. The Tygers ran up the largest score of the season while defeating the quintet from Lorain 68-49. The game with the Massillon Tygers was a heartbreaker to lose for the Mansfield Tygers. The score, Massillon 54, Mansfield 53. A mighty Canton McKinley Five robbed the Bengals of a victory in the last game of the season. The score 47-46.

Tournaments

In the first game the Tygers easily defeated a bewildered Galion quintet 67-45. Because of Mansfield's wonderful five we managed again to show Ashland who was best. The final score Mansfield 46, Ashland 39. Bucyrus and Mansfield played off the sectional finals with Mansfield coming out with a 68-46 decision. At the district tournament in Sandusky, Mansfield defeated the Fostoria Redmen in a thrill packed game 52-45.

In the final game of the district play Mansfield crushed Bellevue 74-43. McCally tallied 25 points to gain the highest point total for one game during the season. At the Regional tournament which was played in the Toledo University Fieldhouse, the Tygers squeezed out a 50-43 victory over a comparatively weak Bowling Green quintet. In the final game of the Regional's, one of the greatest last half drives in the history of Ohio high school basketball fell just one point short as a fighting Mansfield Tyger team came to the end of the tournament trail. The Tygers trimmed a 16-point half time deficit to almost nothing as Toledo Central Catholic advanced to the state tournament 54-53.

Baseball

Due to the late forming of the baseball team and the comparatively early publication of the Manhigan we sincerely regret that there are no pictures of this year's team.

The team is expecting a great year with seven lettermen back. Coach Bylene has taken over the ball team and we wish him all the luck in the world with his first ball club at Senior High.

Things Over

For the first time since 1933 our Bengal track team won the Mansfield relays. Our hustle boys ended up with 98 - 9/10 points with last year's champs Springfield coming in at second with 34 - 14/15 points. The Springfield team beat our Tygers by 2½ points a week before the Springfield relays.

The one dark spot in the occasion was when Cleveland Central had won the event but lost seventeen of its points through disqualification of two of their runners. These two fellows were entered in four track events and three is the maximum.

The star of the day was A. C. Jenkins who had an individual score of 11½ points which is more than fifty-six of the entrant teams could muster. In the high hurdles Jenkins took second after knocking over the first hurdle and hitting the second. Both he and Ed McCadden of Cleveland East Tech, broke the previous relay record of 14.9 seconds. McCadden made it in 14.6 and Jenkins in 14.7. Jenkins also anchored the winning shuttle relay team and made an easy first in the 220 low hurdles.

Tommy Tucker was second high while gaining points in four events and Jim Meister, Paul Ferguson, Samy Wadlington, Paul Hammond, Jim Hager, and Al Poorman all placed in two events.

The Tygers are favored to win the State championship this year and by their showing in the Mansfield relays and by remaining undefeated in dual and triangular up to the time of this writing we are fairly confident that they will.

BOXING

The fifth annual boxing tournament was full of action and ended up with three TKO's and five hard won decisions. TKO's were scored by lightweight Lowell Conner, welterweight John Wakely, and middleweight Stan Byers.

Complete Results

Cheerleaders

Able led by cheer queen, Jean Salsbury, our cheerleaders did a fine job bolstering our boys spirits in all the different sports. The cheerleaders have proven to be a definite cog in the winning of games and they are to be commended on the fine job that they did.

In the picture at right kneeling L to R are: Pat Jackson, Jean Salsbury, Gizella Knefely and Shirley Hill. Standing are Dave Stanton and Dick Dillon.

Next year's cheerleaders, chosen by the vote of the school, are Loyd Lewis, cheer king, Norma Scott, Janet Hardin, Almeretta Mastandrea, Billie Bride, and Betty Strolein.

GIRLS' SPORTS

This friendly Lassie, Miss Marjorie Boals, is the girls Athletic Director, a position she has held for the past three years. A graduate of Ohio State University and a native of Mansfield, Miss Boals has stimulated a great deal of interest in girls athletic activities. Swimming, team sports and individual sports are all emphasized and she is also advisor for the Girls Leader Club and the Girls Athletic Association.

Miss Louise Ferris is assistant instructor in the girls' physical education department. She graduated from Wilmington College and has been teaching at M.H.S. for two years. Of all her interests baseball is her favorite, and also, she is very enthusiastic about modern interpretive dancing.

Leaders Club was organized for the purpose of teaching girls to be good leaders not only in sports but also in the home, community, and social groups.

Girls are chosen for sportsmanship, scholarship, trustworthiness, dependability and their ability to lead. Each girl is assigned a class in which she acts as an assistant teacher and referee.

When April rolls around the Leaders Club sponsors their annual "Sports Night."

G. A. A.

Girls who enjoy participating in sports find at M. H. S. an organization just for them. This is G. A. A. Before becoming members girls must earn 100 points by joining teams or clubs sponsored by G. A. A. or by some sports outside of school such as ice skating and hiking. After the girls have been initiated they must earn 100 points each semester to remain in the association. Awards are given to girls earning 400, 1,000, 1,500 and 2,000 points.

During the winter G. A. A. sponsors its annual banquet at which time awards are given and new members undergo the initiation which is the high light of the evening. At the picnic in early spring officers for the coming year are revealed.

The Volleyball Club offers to girls the opportunity to use their skill in competing against teams from the nearby towns.

CLUB

The Swan Club consists of a group of advanced swimmers. Try outs for entrance to the club are held in the fall.

The members discover the many stunts offered in ballet swimming and also work to perfect their strokes.

Even though girls can't play baseball for the Cleveland Indians they can join the Girls Baseball team and enjoy the sport. This club is sponsored by G. A. A. and all girls participating must be members of the association.

It's a bulls eye! This is the cry often heard by the members of the Archery Club. This club helps improve a girls skill in the handling of the bow and arrow.

SPORTS

If you don't mind broken bones, bumps, and bruises, Tumbling Club is for you. Here the girls learn everything from a forward roll to a fore-arm handstand. This interesting club meets every Monday after school.

ALL'S WELL THAT
ENDS WELL.

TEAM

Team sports hold much attraction for girls interested in athletics. Under the supervision of Miss Boals and Miss Ferris, many different sports are played during the course of the year.

Soccer, the first of the teams sports to start off the school year is played on the Stadium Field as long as the weather permits.

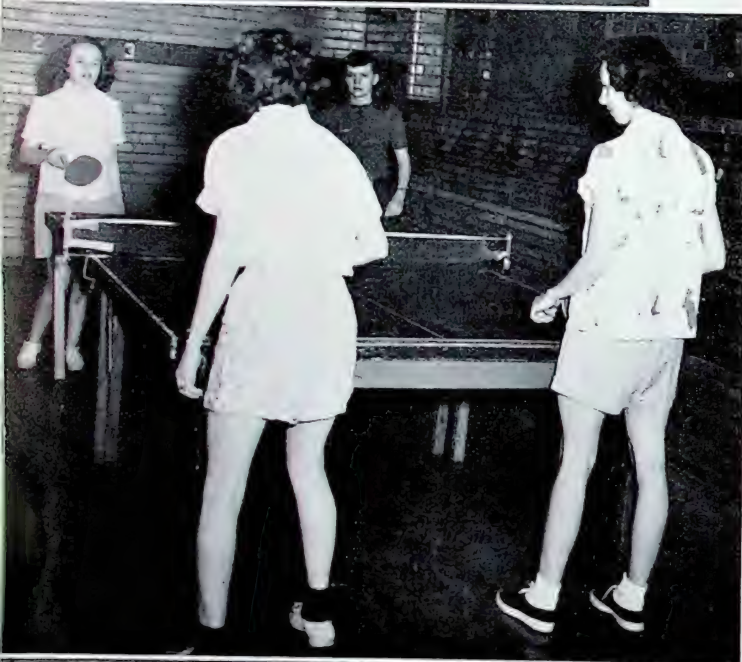

Next comes volleyball and bas-
